KEY RELOCATION NAMES COUNTRY MANAGER DENMARK

Gothenburg, 20 February 2024

Key Relocation is pleased to announce their new Country Manager for Denmark. Effective February 20, 2024, Ken Krogtoft steps into his new role in Copenhagen.

Ken has extensive mobility industry experience. After gaining important customer service skills in the airline business, Ken entered the Danish 'expat' rental scene in the mid 2000's. From there the transition into the destination service provider (DSP) world was easy. It fine-tuned his client relation skills and quickly strengthened his sales prowess. Hans Dahlin, CEO of Key Relocation Group comments:
"Ken has the expertise, experience and personality needed for the Country Manager position. We are confident in Ken's ability to sustain and strengthen Copenhagen Relocations position in the relocation services realm. We look forward to working with him."

Ken Krogtoft expressed his enthusiasm for the new role:
"I am excited to be part of Copenhagen Relocations & the Key Relocation Group. I see immense potential for creating a successful and exciting future for the company. The support of such a highly skilled and professional team reinforces my confidence in our ability to achieve great things together and offer a high level of service quality to the Danish and relocation services markets."
